## Memorandum of Understanding

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 16<sup>th</sup> Day of April-Two Thousand and Nineteen (16-04-19), by and between **St. Thomas College of Education**, Greater Noida, Uttar Pradesh (**The First PARTY**) and **QTanalytics India**, 1007, Roots Tower, Nirman Vihar, Delhi-110092 (**The SECOND PARTY**) believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities

**St. Thomas College of Education** established in 2013 is an institution of the Diocese of Delhi, Church of North India. Recognized by the NCTE, Jaipur for Teacher Education, it highlights our very own 'LIVEWARE' educational philosophy. At a time when the needs of the differently abled, the intellectually challenged and those less fortunate remained largely ignored, Miss Helen Jerwood took the pioneering steps to cater to their individual needs. The empathy, sensitivity, and far-sightedness of our founder remains the cornerstone of our newest venture into higher education. The College is commencing a Bachelor in Education programme from the academic session 2014-15, St. Thomas' College of Education is recognised by the National Council of Teacher Education Jaipur and is affiliated to Chaudhary Charan Singh University Meerut vide affiliation /723.

**QTanalytics™ India** is a statistical consulting, research and training provider for skill development among students, scholars and faculty. - Journal Hosting and Publishing (OJS Platform)

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:**

Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them

in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

The budding graduates, Post-graduates and Scholars from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

1. **Skill Development Programs for Students and Scholars:** Second party will give valuable inputs to the First Party in imparting **online** and **onsite training** programs on Research Methodology, basic statistics and the emerging technologies in order to bridge the skill gap in academia and research. The statistical software training and on-hands experience provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. Both parties will issue a joint certification signed by the authorized signatories of the online and onsite training programs.
2. **Faculty Development Programs:** Second Party to train the Faculties of First Party as per their requirements for knowledge of statistical software to bridge the research skills gap to help them in Academia.
3. Second party will encourage research activities of the party though their enriched online Journal/Conference hosting and management Services.
4. Second Party will encourage and actively engage the faculty of the First party in developing the online courses at UG, PG levels.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein. There is no financial commitment on the part of the St. Thomas College of Education, the First Party to take up any programme mentioned in the MOU. If there is any financial consideration, it will be dealt separately.

Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

The agreement shall be valid for three academic years from the date of signing the agreement unless renewed or extended in writing. Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be

construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized representative as of the day and year first above written
